

ATTENZIONE

La violazione di un computer o di una rete altrui senza autorizzazione è un reato perseguibile penalmente dalla legge italiana (art. 615 ter del Codice Penale), pertanto alcune delle procedure descritte in questo libro sono da ritenersi a scopo educativo/illustrativo/informativo.

Il lettore solleva gli autori da ogni responsabilità circa le competenze assimilate.

"Esistono due tipi di siti quelli che sono stati hackerati e quelli che ancora devono esserlo."

"Un buon sistema di sicurezza si misura proprio con 'Non succede niente'."

Loris Simonetti
